

Sample Transfer  
Plan

Area of Focus: **Sport & Fitness Management**

Associate in Arts (AA) transfer degree

**This Sample Transfer Plan is for students intending to major in Sport and Fitness Management after transfer** but who have not selected a transfer institution. Students who have a specific transfer school in mind should work with BHC and transfer school advisors to ensure the transfer school's requirements are met.

The Sport and Fitness Management area of focus provides a broad overview for careers in professional sports, college athletics, campus recreation, and parks departments. Students who complete a related bachelor's degree may find job opportunities in athletic direction, coaching, marketing, public relations and sales, event and facility management, and parks and recreation programming. Business competencies are essential. FYI - Athletic Training is considered a healthcare profession which requires different undergraduate preparation and a master's degree to meet state licensure requirements.

**Degree Timeframe:**

- Students who complete an average of 15 college-level credits in four consecutive fall and spring semesters could complete the degree in two years. Students determine their own pace and progress and should consider their work and personal commitments, course difficulty, course pre-requisites, and possible need for additional courses determined by placement assessments. Advisors are available to discuss credit load and schedules appropriate for student goals and circumstances.
- Students transferring before completing the associate degree should discuss [Reverse Transfer](#) with their BHC advisor. Black Hawk College will evaluate your college or university work to determine if those credits will fulfill the remaining requirements of the associate's degree.

**Advising Notes:**

- See the current [BHC Catalog](#) for all IAI course codes, course descriptions, pre-requisite information, and complete graduation requirements to earn the degree. The area of focus is not stated on student transcripts.
- This guide is not a substitute for advising. All students are encouraged to connect with their assigned BHC advisor each semester.

Semester	Meet with BHC advisor	Registration begins
Summer and Fall	February or March	1 <sup>st</sup> Tuesday in April
Spring & minimester	September or October	1 <sup>st</sup> Tuesday in November
